Summary

# At a glance

The Straumann® Zygomatic Implant System provides an immediate, graftless, predictable fixed solution for edentulous patients and patients with terminal dentition.<sup>1,2,4</sup>

# What's in it for you?

From experts for experts

Immediate loading

Anatomically based designs

Straightforward prosthetics

Designed to adapt to patient's anatomy

What's in it for you?

## From experts for experts

- Bringing experts together to provide a solution you can trust in.

What's in it for you?

## Immediate loading<sup>1,2,5</sup>

- Graftless solution that provides primary stability and allows immediate loading.

Barcelona, Spain

“ZAGA™ Flat design allows a significantly more...”

**Dr. Sepehr Zarrine**

Saint-Dié-des-Vosges, France

“The two implant designs with differentiated surfaces are a wise solution...”

**Dr. Edmond Bedrossian**

San Francisco, USA

“The Straumann® Zygomatic implant allows for the treatment of any maxillary condition...”

What customers say

## Clinician statement: Dr. Carlos Aparicio

Barcelona, Spain

« ZAGA™ Flat design allows a significantly more conservative osteotomy and better bone sealing while avoiding soft tissue compression. »

What customers say

## Clinician statement: Dr. Sepehr Zarrine

Saint-Dié-des-Vosges, France

«The two implant designs with differentiated surfaces is a wise solution that can be used by any zygomatic surgeon and can be adapted to different patient anatomies.»

What customers say

## Clinician statement: Dr. Edmond Bedrossian

San Francisco, USA

«The Straumann® Zygomatic implant allows for the treatment of any maxillary condition...it provides the Total Solution for the immediacy concept.»

# Summary

- Provides edentulous patients with an immediate and predictable fixed solution
- Unique implant designs and straightforward prosthetic concept
- Tailored solutions for patients with various anatomy types and bone deficits
- Compatibility with Straumann® BLX and BLT implants and prosthetics for fixed overdenture
- Integration of Straumann® Zygomatic Implant System components in coDiagnostiX®
